Safeguarding policy statement

Note: The terms 'child' and 'young person' describe any person under the age of 18. References to 'parents' should be read as parents and carers inclusively.

Our statement

Our organisation (**Te-Ashi-Do Martial Arts**) acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice and **World Kickboxing Organisation (WKO)** requirements.

The policy recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, ability or disability, gender reassignment, race, religion or belief, sex or sexual orientation, socio-economic background, all children:

have a positive and enjoyable experience of sport at **Te-Ashi-Do Martial Arts** in a safe and child centred environment

are protected from abuse whilst participating in **Martial Arts and Kickboxing training** or outside of the activity.

We acknowledge that some children, including disabled children or those from ethnic minority communities, can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

Our Policy

provide effective management for staff and volunteers through supervision, support, training and quality assurance measures so that all staff and volunteers know about our policies, procedures and behaviour codes and follow them confidently and competently

ensure appropriate action is taken in the event of incidents or concerns of abuse and support provided to the individual(s) who raise or disclose the concern

ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored

record and store information securely, in line with data protection legislation and guidance [more information about this is available from the **Information Commissioner's Office**]

develop and implement an effective online safety policy and related procedures
